VOL. 13, NUMBER 308 MONESSEN, PA., FRIDAY, JUNE 11, 1915 SIX CENTS THE WEEK

"She's a peach" said one to the other after they finished looking her over while standing at the corner of Donner. "You bet she is," said the other. "She looks so neat." "Yes," said the one, "and she's always crammed full of fresh news." They were reading the Daily Independent.

Leg Broken When Hit By Auto

Minnie Veich, a 12 year old girl of East Schoonmaker avenue had a narrow escape from fatal injury about 5 o'clock last evening when she was struck by the Chevrolet touring car driven by Ollie Marple. She had been visiting at the home of a relative near Wild Cat Hollow, and after finishing supper, she rushed down the steps and attempted to cross the street to play jacks with a number of other companions. As she left the pavement, a huckster wagon was passing and she darted from behind the wagon just as the automobile was passing.

Mr. Marple was running very slow and was going to stop a few doors below where the accident happened.. He did not see the girl until she appeared from behind the wagon and quickly applying the brakes, brought the car to a stand still, but only the fender on the running board struck the little girl and she was thrown to the ground.

Placing her in his machine, Mr. Marple made a hurried trip to the Monessen-Charleroi hospital, where it was discovered that besides a slight laceration of the head, the unfortunate girl received a fracture of the right leg. The hospital authorities announced this morning that her injuries were not serious and no fatal results are expected.

Local Woman Dies Following Operation

Mrs. A. Beether of 1090 Schoonmaker avenue, died yesterday afternoon in the Presbyterian hospital in Pittsburgh, following an operation last Tuesday for cancer. Funeral services will be held from the home on Sunday afternoon by Rev. B. F. Bungard, and interment made in Grandview cemetery. Besides her husband, she is survived by four small children, two boys and two girls.

Male Chorus Gave Excellent Concert

The small crowd that attended the concert given by the Monessen Male Chorus in the High school auditorium last evening was given the best treat of the season in a musical program, as each individual member who took part in the affair evidently put forth their best efforts to entertain those who were loyal enough to help the good cause by their presence.

The chorus work as well as the duets, quartettes and the solos were well rendered and the audience showed their appreciation by roundly applauding each number and calling for encores. The dramatic sketch, as predicted, was the crowning event of the evening , and the participants displayed merited talent. The Troubador quartette, composed of Messrs. Smith, Preston, Moore and Preston made a decided hit with their selections as did the Misses Elizabeth Treasure and Beryl Thomas in their piano duet.

Arrange For Celebration Here On Fourth of July

A meeting of the Amusement committee of the Board of Trade was held yesterday, and initial steps taken for the proper observance of July-Fourth, in this city. The program will not be as elaborate as in other years, but nevertheless there will be enough doing to keep people in town. A parade will be one of the features of the day with various lodges, civic organizations and foreign societies in line. E. M. Frye will be chief marshall of the parade and all individuals or organizations wishing to take part in this event should communicate with him. A good speaker will be here to give an address from the band stand in Sixth street, and in the evening a fire works display will bring the festivities to a close.

Hoosier Kitchen Cabinet Week Opens At Wrights

The semi-annual Hoosier Kitchen Cabinet club is now forming at Wright's furniture store and many housewives in this vicinity will escape the usual drudgery by taking advantage of the club rates in order to secure one of these household necessities. The rates will only continue in force until June 19 and a limited number of the cabinets will be dispensed of at these terms. The wise woman will not wait until it is too late, but join at once and reap the benefit. 1t fp

Seriously Injured Yesterday

Herbert, the six year old son of Mr. and Mrs. H. C. Dunn of Oneida street, met with a serious accident yesterday afternoon about 3 o'clock while playing with a number of other boys on a concrete mixer at the corner of Knox avenue and Oneida street.

The mixer was attached to a wagon and when the driver started, the Dunn lad fell between the wagon and mixer. The wheels of the mixer grazed his face, making a bad scar on his right side, while his thigh and knee on the left side were badly grazed. His ribs on his right side were bruised and the middle fingers of both hands were badly crushed as the wheels passed over them.

Some men who happened to be in the vicinity rushed to his assistance and probably saved his life when they pulled him from beneath the mixer before the back wheels had passed over his head. He is at the home of his parents and despite his numerous injuries will recover.

Will Speak At Benefit

An added feature of the charity benefit to be held in the Star theatre Monday afternoon and evening will be the appearance of Mrs. Oliphant of New Jersey, who assisted in the defeat of suffrage in the western states in 1914. She will tell why Ida Tarbell, well known to readers of the Ladies Home Journal, and an authority on Child Welfare work and Minnie Bronson, formerly of the Child Welfare bureau of Washington, D. C., and Mabel Boardman, head of the National Red Cross, all women whose purity of motives are devoted to helping humanity are anti-suffragists. The proceeds of the benefit will be used towards the milk and ice fund for this city.

Crowds Clamor For Admission

The Big Dollar Shoe Sale at the Economy Shoe Shop opened this morning and for a time it was thought that the police would be called to keep the crowds that clamored for admittance orderly. At an early hour it was seen that there would be a rush for the bargains and a man was placed at the door, and at intervals he was forced to lock the door and let the customers out by the rear. Every shoe in the store must be disposed of before Monday night in order that the workmen may finish their improvements for Mr. Homann. Shoes ranging in price from $2.50, $3.00 and $5.00 are being sold for $1.00, including all ladies' men's and children's high grade patent, gun metal and tan shoes. Come early tomorrow morning and get your pick as the stock will be re-arranged tonight. 1t fp

Open Hearth Official Goes To Lebanon

W. S. Greenawall, superintendent of the Open Hearth department of the Pittsburgh Steel, has tendered his resignation to take place June 20th, at which time he will take a somewhat similar position with the American Iron and Steel company at Lebanon, Pa. Mr. Greenawall has been with the local company for more than two years, during all of which time he has held the above responsible position, and his resignation comes as a surprise to his friends in town.

Mr. Greenawall will remove his family to Lebanon about the time he takes charge of his new duties.

Funeral of Thomas Hughes Was Held Yesterday

The funeral yesterday afternoon of Thomas Hughes, son of Mr. and Mrs. John Hughes, was one of the saddest that has taken place here in a long time owing to the unfortunate circumstances which surrounded the taking away of the young man. The services were held at the home on McKee avenue at 1:45, also at the Christian church at 2:30, Rev. J. B. Swain, pastor of the church officiating. The funeral was attended by a large number of friends of the deceased and the family and was sad and impressive. The casket was borne by members of the Sunday school class of the deceased and the three boys who were in the skiff when the young man met death, carried the flowers.

Thomas Hughes, deceased, was born July 20, 1900 at Pottstown, this state, and had he lived until the 20th of July would have been fifteen years of age. He was of domestic habits and was loved by all who knew him and the sympathy of the community goes out to the stricken household.

Mr. Hughes and family wish to thank the friends and neighbors and all who were so kind to them in their hours of mourning and the memory of these kindly acts will ever remain fresh.

Local Church Fight In Argument Court

A large crowd of Monessen people filled the court room where Judge Charles D. Copeland was presiding in argument court. One faction of the members of the Blessed Virgin Greek Catholic church of Monessen, are standing out against another faction of the same church. John Martin testified that the congregation first met in a building on Water street in 1902 and 1903. After meeting there for some time, the congregation secured a lot farther up town where a hall was erected. In a number of years other lots were purchased and the present church erected on the first lot and part of the adjacent lot. The first priest was Father Voltear. The lots of land were purchased with money collected from the Catholic people. Mr. Martin stated that he gave $10 for the erection of the foundation. After the foundation was erected, the congregation secured more money and went ahead and erected the church building.

The witness testified that a change came about in 1914, when the new priest took charge of affairs. Through an interpreter, he stated that the new priest made three changes. He stated that he omitted the word, "son" in the expression, "the Father, Son and Holy Ghost;" that he eliminated the use of the bells at altar service; that he changed the seal from "The United Greek Catholic church to "The Orthodox Greek Catholic Church." Testimony and argument was presented to the court.

Man Injured When Jitney Bus Wrecks

Charleroi's jitney bus service was brought to a sudden end yesterday afternoon when a Buick Six in attempting to pass, switched a back wheel of the Ford car used as a bus, and in so doing knocked the wheel from the driver's hand and the machine overturned.

The jitney was in charge of a man by the name of Monk and he had just left Charleroi with two passengers, James Stamps, an insurance agent and Charles Ross, a painter, on his way to Speers. Just as the car overturned, Ross and the driver of the machine jumped and escaped with slight injuries, but Stamps was caught in the wreckage and had his right arm broken besides receiving other minor injuries.

The bus was practically demolished while the Buick escaped without even a scratch. The Buick is owned by Lawrence Peterson of Elizabeth and the driver of the machine rendered all the assistance he could to the injured passengers of the jitney. Mr. Stamps was the only one to receive medical attention and his injuries will not prove fatal.

Should be Punished

Over in Mt. Pleasant, this county, the High school pupils who were scheduled to be graduated are on a strike. The trouble arose over one member of the class who was accused of flunking his examinations, and who on this account was refused graduation. The whole class went out on a strike and demanded the graduation of the lax pupil, or there would be no final exercises. While the faculty was positive in its stand, a meeting of the school board was called and this body sustained the faculty. But to satisfy everybody, five disinterested persons formed a committee to sit in judgment and hear the evidence.

It was a big day in educational circles in the coke town when the evidence of both sides was submitted. High school orators presented their side of the question and the faculty and board presented theirs. A verdict was rendered to the effect that the boy should take examinations over, having submitted to him a new series of problems, but this he refused to do and as a result the graduating exercises were called off. Several days passed and a half way compromise was effected, and several of the grads agreed to accept the diplomas, but as the instruments of honor were being passed to the worthy ones, a shower of lemons was hurled down on the platform of the theatre and there was a general turmoil.

Every individual who hurled a lemon should have been caught and made to swallow the fruit, rind, seeds and juice and in addition to that should have been arrested and confined in the Mt. Pleasant bastile until thoroughly convinced that such business is unbecoming to persons who expect to develop to be ladies or gentlemen.

Tax payers of Mt. Pleasant have labored hard to build costly buildings and furnish free text books for the purpose of educating the children and if the education obtained through such advantages fits pupils for conduct of this character, there is something wrong somewhere, and an element of punishment is necessary. The fault of this business is sometimes in the homes of the children, it is even more often there than anywhere else, and if there is no parental interference, the law should be invoked. The High school age is not the age to permit children to manage the entire affairs of a school district. Obedience is the first requisite to manhood and womanhood.

CHARITABLE MONESSEN

The Publicity Secretary of the Belgian Relief committee tells us that it would do our hearts good to be seated in the meetings when Monessen is mentioned and hear the cheers for the town and its good people. So much for the generosity, the liberality and the self sacrifice of our people and so much for the central committee who appreciates our efforts.

But if it would fill our hearts with pride to hear the encomiums in this committee meeting, how would we feel if we were in war deluged Belgium when the train load of provisions arrive from western Pennsylvania and when it is passed out among the starving millions. How would you personally like to be there and hand out a sack of Monessen flour. Wouldn't that make your heart beat with pride, and wouldn't that make the tears roll down over your cheeks, tears of sorrow and tears of joy. Tears of sorrow for the distress, the awful plight of human beings, but tears of joy that you are in a position to contribute a morsel of food to some one actually starving. You may think you have done nobly in a charitable way and maybe you have, but it is doubtful if any person living in Monessen actually placed crumbs of bread in a starving mouth. It was done this time though if anything was given for the relief of Belgium.

The high place this town occupies with regard to this humanitarian cause will never reflect anything but credit. It was given by toilers, men who stand in front of the furnace and men who labor with the pick and shovel as well as merchants, professional men and others, and when one stops to reflect upon the lack of wealth in Monessen, it is benevolence from the inmost heart and the blessings are sure to return.

MARK SPOT WHERE WASHINGTON ENLISTED

Greensburg, Pa., June 11—The Sons of the American Revolution will dedicate tomorrow a monument and bronze tablet on the historical site of Fort Ligonier. It was at the old fort which had been erected in 1758 by Sir John Forbes for the defense of his troops and the neighboring settlers, that George Washington was commissioned an officer in the Colonial troops under the English government. It was in the Ligonier valley that he commanded these troops in battle. The dedication will be attended by representatives of all the historical societies in this section.

REMARKABLE CASE of Mrs. HAM

Declares Lydia E. Pinkham's Vegetable Compound Saved Her Life and Sanity.

Shamrock, Mo.—"I feel it my duty to tell the public the condition of my health before using your medicine. I had falling, inflammation and congestion, female weakness, pains in both sides, backaches and bearing down pains, was short of memory, nervous, impatient, passed sleepless nights, and had neither strength nor energy. There was always a fear and dread in my mind, I had cold, nervous, weak spells, hot flashes over my body. I had a place in my right side that was so sore that I could hardly bear the weight of my clothes. I tried medicines and doctors, but they did me little good, and I never expected to get out again. I got Lydia E. Pinkham's Vegetable Compound and Blood Purifier, and I certainly would have been in grave or in an asylum if your medicines had not saved me. But now I can work all day, sleep well at night, eat anything I want, have no hot flashes or weak, nervous spells. All pains, aches, fears and dreads are gone, my house, children and husband are no longer neglected, as I am almost entirely free of the bad symptoms I had before taking your remedies, and all is pleasure and happiness in my home."—Mrs. JOSIE HAM, R. F. D. 1, Box 22, Shamrock, Missouri.

OSTEOPATHICS WILL HOLD ANNUAL MEETING

Philadelphia physicians are scheduled as the most important features on the program of the national osteopathic convention which will be held in Portland, Oregon, the first week in August.

Dr. J. Ivan Dufur, professor of nervous diseases, of the Philadelphia College of Osteopathy, is the latest hero of the "Movies." For four hours he and the camera men were locked in a room with forty insane epileptics waiting to snap just the right kind of fits. They also had many other harrowing experiences. Moving pictures, it is predicted, will revolutionize the teaching of disease and diagnosis as these subjects can in no other way be vividly presented to the student.

The "Movies" have invaded even the sacred field of science The latest up-to-the-minute discovery is their peculiar value in diagnosis. This discovery was made by the osteopaths Officially the coming convention is entitled the nineteenth annual session of the American Osteoppathic Association, but as the foreign osteopaths are included in this organization, it is in reality an international meeting. A thousand delegates will be present. At this convention the osteopaths will celebrate the fact that legislative recognition has now been secured in every state and that their colleges have been placed upon a full four year basis with the same or higher requirements than those of medical schools. The founder of osteopathy, Dr. A. T. Still is still living at his home in Kirksville, Mo., the birthplace of the practice, but owing to the infirmities of his advanced age, will probably be unable to attend the convention. The number of his followers now reaches 7,000

The establishment of osteopathic clinics in 300 churches throughout the country will be described by Dr. Ira W. Drew, of Philadelphia, chairman of the national board of clinics

Dr O J Snyder, President of the Pennsylvania Board of Osteopathic Examiners and President of the American Academy of Osteopathic Clinical Research, will speak upon the progress of the work of the latter body for perfection of accurate recording of cases.

Dr. Arthur Flick, dean of the Philadelphia College of Osteopathy, will appear before the convention to make the annual report for the Associated Colleges of Osteopathy.

NOTABLE AT THE JERSEY MEETING

Atlantic City, N J., June 11—Many lawyers prominent in national affairs are attending the annual meeting of the New Jersey Bar association. Among the speakers on the program for today and tomorrow are Secretary of War Garrison, Governor Fielder, Former Secretary of State Knox, former U. S. Judge George R. Gray of Delaware and Federal Judge Buffington of Pennsylvania. Many new Jersey judges are attending the meeting which aims to expediate the administration of justice in the state and do away with long drawn out postponements.

RESTAURANT OPEN

The Acme Lunch room is now in the hands of Payne Bros, and is open to the public with good meals and accommodations. Saturday will be introductory day and a special menu will be offered consisting of Boston Baked Beans, New England brown bread, strawberry short cake and other delicacies. Women in the News

Oilton, Okla.,—The rough huts of the oilfield, the devil-may-care atmosphere of the new settlement, and the tough characters from the camps have no terrors for Miss TeresaPoirire who has set this town by the ears by throwing up her nice job in a New York office and joining the oil-tank crew of Ciilton, She is on the job in the yards of the Santa Fe Railroad, checking up the material arriving for the construction of big storage tanks. Each of the tanks hold 55,000 barrels of oil and it takes seven cars to haul the necessary materal. The girl has outdone all the men checkers ever engaged in the work and she knows exactly the amount of material taken from a car. She checks up the work of 100 wagons daily. Although used to the polished ways of the city, she has found favor with the "skinners" who are hired by the tank company. These tough characters have made her the queen of the camp, and she is as safe with them as in her New York flat. According to her boss, she is the best checker in the oil fields, and never needs to carry a gun. On her hours off, she rides her horse in the outskirts of the camp, and is saluted everywhere by the "bad men".

Monessen-Charleroi Hospital

Report For Month of May

At the regular monthly meeting of the Board of Directors of the Monessen-Charleroi hospital, Tuesday night, Miss Genevieve Dahy, superintendent, submitted the following report for May:—

No. of patients remaining May 1 ...20
No. patients admitted in May 53
No. emergency cases 6
No. of operations 36
No. of deaths 2
No. of births 2
Highest No. patients admitted in one day 6
No. surgical cases admitted 39
No. medical cases admitted 14
No. free patients admitted 11
No. pay patients admitted 39

Collections for the month were better than any previous like period since Miss Dahy's administration began March 1. Attention is called to the fact that while a patient may be entered and rated as a day patient, it costs the institution considerably more per day for each patient than is paid. The charge for pay patients is $1.25, while hospital cost varies from $1.75 to $2.00 per day.

During the month 12 physicians and surgeons made a total of 17 visits, indicating that patients were well attended.

Much trouble has been experienced lately from trespassers. Signs have been posted and the superintendent given instructions to have arrests made. Children were offenders and fruit trees and shrubs have been destroyed. The Colye theatre sign board at the entrance street will be removed.

Donations during the month were received from Crail's Flower Shop, flowers; Monessen auxiliary, magazines; Mrs. John O'Brien, geraniums; Mrs. Edward Dahy, of Donora bread; Dr. David Schaffer, flowers; W. C. T. U. of Belle Vernon, baby clothing; Self Denial class of Washington Avenue Presbyterian church of Charleroi, baby clothes; Charleroi auxiliary, 2 pairs pillows, 2 rocking chairs, 1 screen, 20 doz. glasses, 8 flower vases, 7T. binders, 2 night shirts, 6 service covers, 26 bed bags and curtains.

The hospital range donated by the Monessen auxiliary with cooking utensils were received and installed recently. The cost of these was over $200 alone.

a most important

Stock Reducing Sale

MEN'S AND YOUNG MEN'S SUMMER SUITS AND HIGH GRADE FURNISHINGS

The extremely cool Spring and Summer weather has curtailed the sale of light weight clothing to such a marked extent that our progressive merchandising policy calls for some drastic action. The April and May just passed which have been the coolest in years, has seriously put back the sale of light weight suits.

In consequence, stocks are much heavier than normal and some astounding price cutting has been resorted to in that event.

$12.00 to $15.00 Suits	$8.75
$15. to $16.50 Suits	$10.75
$18.00 Suits for	$12.50
$20.00 Suits for	$14.75
$22.00 Suits for	$16.50
$25.00 Suits for	$18.75

Little need is there to speak of the desirability of these suits. The advantages of this sale are so apparent it is hardly necessary to mention them, and men will readily see the money saving opportunity when such splendid assortments are offered and such extraordinary prices prevail.

Seldom Have We Achieved so Wonderful a Combination of Style and Prices.

These wonderfully charming examples of summer styles come to us from two of our New York makers whose styles are so good, and as a consequence their business so great, that on many lines they cannot avoid a surplus. These are the surplus of their highly rated lines.

White voile dresses with two flounces. Trimmed with embroidery of the newest patterns and attractive buttons. A colored girdle adds to its beauty. The price is very reasonable $5.00

Chiffon dresses that are very popular. The colors are pink, blue and flesh. Trimmed with beautiful embroidery. Price $10.00

New style taffeta dresses for the promenade or informal gatherings. The waist and sleeves are embroidered. Colors black, copenhagen, navy and sand. Palm Beach Suits and Coats for the evening affairs and summer resorts. Many new styles of crepe de chine dresses in all colors.

White Skirts, made up in all the new cloths. Prices 98c, $1.25, $1.50, $2.00, $2.50, $3.00, $3.50.

Our new skirts are the work of style experts. The cloths are linen and Palm Beach checks and stripes.

We are selling a few dresses that we have on hand from last season for one half price. They are made of an excellent quality of silk.

We are offering our entire stock of Suits and Coats for spring at ¼ off the regular price. Buy early and get the best.

Bissel's Vacuum Sweeper WITH BRUSH Price $9.00

THE NEW BISSELL Models constitute two distinct types of hand propelled vacuum cleaning machines. The one with the small carpet sweep brush, litter pans, etc., we have called the "Vacuum Sweeper." It is designed to meet the demand for a combination machine. The "Vacuum Cleaner" is purely a RENOVATOR for periodic use, such as once or twice a week—the true function of any suction cleaning apparatus. The "streamline" cases of handsome Ribbon Mahogany Veneer, hand rubbed and polished; the finely nickeled fittings of pleasing design, and the sturdy construction, are all outward evidence of a "finished" product that offers a distinct contrast to crudely made apparatus with which the market is flooded. It has most powerful suction and smooth and steady running qualities. Buy one of these cleaners and your work will be easier.

Steamships Sail With Amunition

Die Post, a German paper, in its issue of yesterday calls attention to the sailing of steamships with both munitions of war and passengers on board, saying in this connection:

"Our submarines must destroy these munitions, and whence they come and who does a good business in them is immaterial. If England does not hesitate to carry passengers on board the same ship with this war materal it is not possible for us to fulfill our duties without destroying innocent human lives. The responsibility for the mishap rests on England alone."
